Adopt an owl at Worsbrough Mill

Tawny Owl

Barn Owl

Little Owl

Worsbrough Mill and Country Park has been recently designated a Site of Special Scientific Interest in recognition of its importance as a wet woodlands habitat. We are very proud to have helped secure funding from the National Lottery Heritage Fund to allow the important conservation work at the site to continue. We would love your help to achieve even more.

Worsbrough Country Park is renowned for its diverse bird life, and there are 3 types of owl that have been observed in and around the site – Tawny Owl, Barn owl and Little Owls.

By adopting an owl for £20, you will be helping to continue the conservation work already started, making this an even better place for owls and all the other creatures who make Worsbrough their home. In return you will receive an adoption pack full of information and goodies. **To find out more visit www.bmht.org**

◀ Ollie the owl cuddly toy.
Note: Mouse toy may vary from picture shown.
