BECOME A BOOKSHOP BUDDY WITH CANNON HALL MUSEUM

Hidden away in the beautiful Walled Garden at Cannon Hall Museum, our charming Pre-Loved Bookshop is a treasure trove of stories waiting to be rediscovered.

Every book donated helps create a lasting impact. Each year, the bookshop raises around **£5,000**, supporting:

- Community volunteering opportunities
- Family learning programmes
- Educational and wellbeing activities
- The ongoing care and preservation of Cannon Hall Museum, Park & Gardens

Are you a small local business, a large employer, a school, a public sector organisation or a community group?

If so, your support can help us raise more funds to support **Barnsley Museums** to engage more families and preserve an important part of Barnsley's heritage.

Together, we can give great books a second life and create lasting benefits for our community.
